Our beautiful brown-eyed girl...Where did the years go? Our little girl grew before our eyes into a wonderful young lady, a loving daughter, sister, granddaughter, and mother. She persevered through some tough battles and has become a self-confident young lady, but not so much that she can't still give us a hug when we need one. She truly is our pride and joy. All our love, Mom & Dad

Dan Quinn

Congratulations, Danny. We are very proud of you. May all your dreams + wishes come true. We will be with you all the way. Love, Mom + Dad

Remember When.....

Stephanie Chery - Mr.Henderson gave me the "center of the universe speech" while we were taking the MCAS and he admitted that I truly was the center of the universe. **Tamika Jean** - Greny and Ryan were fighting in French class, Greny pushed Ryan off the desk. Ryan fell and took the concentration board with him! **Jonathan Vogel** - I remember when in 9th grade Nicole and Rachel bet me that I couldn't go the entire school day without flirting with a girl and I only lasted ½ the day. **Jhenn Kangiser** - school was fun? -- me neither. **Jim Saia** - when D.Ruggs tried to practice with the basketball team, Ernest- remember when your kids grew up?haha Bryan- remember how I kept taking your dates at dances?, Steve, who shakes a girls hand? Ernest, stop harping on it!! **Nicole Medina** - Kassie cried every weekend and told her friends she hated them, except for me. The night at Amy's house with the weekend boy. The everyday trips to Dunkin Donuts with Kassie. Rachel got sick at McDonalds and threw up in R.A.'s car. **Cassandra Xavier** - I remember last year at a Basketball game against Southeastern and a certain Avon Player went up for a dunk, missed and hit the floor. **Steve Beaudoin** - Dave wore the same tiny gym shorts for three years, D.I.T., Mel P & Steve convos, Vogel gave me a pen, This is Dave Snow he says a bunch of random things. **Ernest Bennett** - Steen threw a tennis ball across the hallway and it hit me in the ear and made me fall over, Mr. Baxter said to Vogel "All set there general?" Vogel said "No" and Baxter said "Get out my classroom!!!" **Adam Steen** - when Saia told Walsh and I that he didn't have any friends when he was a kid and he sat alone at lunch with huge piles of salad and bacon bits and I rolled in the street for 15 minutes laughing. **Chris Nuttall** - we used to play a certain "not" allowed game in gym and getting caught! **Greny Bartelus** - Andy pushed Jean Chiapini and he fell off the desk and the desk fell on him in French II class, sophomore year. Shamia...shaetawn. Tamika...T-square. Mr. Henderson, you have a wedgie. **Sara Pacheco** - Denez wore a skirt all day? That kid Matt Grant went here? Denez, Chris, Matt, and I went to Wendy's, came back right before lunch ended, got caught, and got 3 days detention? **Lauren Tardanico** - Tayla and I thought the kiddie swings at Castle Island were Roman battle helmets and at the cheerleading sleepover when we all got a hold of the photocopy machine. **Godya Remy**- At lunch I was showing Laura Vo my key chains and she thought that they were soap and she wanted to wash her hands with them. **Kassie MacDonald**- Every weekend when I told my friends that I hated them besides Nicole, and then started to cry. Remember the night in Boston when I gave some guy the finger and we had a high speed chase and Tay, Lau and that boy were so mad at me. **Kerrie Benton**- I really thought I could take on Matt L. That time on the bus Cassandre told Perrie and I not to say her name out loud and to call her Kiesha. When Ernest brought out the "big guns" and I had to show the "little guns". All the times Steve B. threatened to beat me up. The two sprite-aholics that were on the B.A.T bus. **Steffi Vallery**- Jeff Moise hid in the boys bathroom and jumped out the window because Karen Marseille wanted his number. **Steph Armington**- I couldn't hold it any longer and Tayla proved that she was a true friend by holding a cup underneath me and when Dan thought he told everybody about my love life in Pre-Cal class. **Jenn Mitchell**- Chris, Gina, and I went to the beach and Gina was checking out the old fat ladies.**Tayla Barone**- I pretended to be Janet Jackson with Bill Currie and when Lauren, Kassie, JG and I were chased at 4 A.M. from Boston to Braintree because as usual Kassie had to give a piece of her mind. **Rachel Carter**- Nikki and I told John Vogel that he wouldn't flirt with one girl and of course he couldn't keep up his end of the deal; and can't forget the time that Mr. Henderson flipped Isiah over in his desk during class. **Josh Pyne**- Reg got the assist...off his face! **Bryan Oliviera**- when Dave threw an open bottle of Gatorade across the table...Kerrie threatened us on the Newport bus ride...Andy threw Evan into the wall...Perrie went bobbin for french fries. **Dan Walsh**- Steen told Mr. Hayward what was spray painted on his chariot in Law class...Steph told us all about her love life in Pre-Cal class. **Dan Quinn**- Steen was white... Nut-Face came to be... when I fell in love with the pole. **Perrie Benton**- we called Avon Town Hall because we had no heat and they hung up on us.

Nol ever told me that life could be this hard or how u feel when u fall in love. That some times friends become family and family begin to be strangers. Nol ever told me that your past is who U are or that the destination of your future never really mattered but the journey of how U got there does or how being the nice guy could mean that U might never win. The only advise I can give U is to experience life in every way that U can. There will always be a place in my heart for Michelle who has shown me that some-things r to beautiful and precious to ever give up on. Thanks to all my friends for anything and ev-erything -VOGEL-

I also leave Lewis to Stephanie L. and the ability to help others up after they fall to Gary. **Jonathan Vogel-** I leave a new and improved shop with out myself to Mr. Lynch. Also to Mrs. O'Brien I leave every book I was supposed to read but didn't. **Jim Saia -** I leave one more year of "center of the universe" speeches to Mr. Henderson. Also to my brothers 6 and 7 more fun years in the new school. CONGRATULATIONS GRADS

Congratulations to Heather Silvestri and the Class of 2002!

You began and ended your entire school career in the Avon Schools while others left. Your teachers, your principals and your mentors watched and helped you struggle to success, and by now I am sure, with a high degree of satisfaction.

You were the first female to complete the Jordan's Furniture program, extending the boundary of our schools to the business community. You dazzled all of us with your blindfolded drum solo before a full auditorium. And most importantly, you fulfilled your academic requirements to proudly graduate with your class. And now your day is here.

Savor it, gain strength from it, and then look beyond, look beyond, look beyond!

With all our love,

Mom, Dad, Carrie, Mark, Erik, Jason, and Adam

Embarrassing Moments

Greny Bartelus- I was talking to Derron and suddenly I was put into a sandwich between him and Sydney. **Chris Nuttall-** I remember in 9th grade being so wrapped up in a conversation with friends and walking into the gym door nose first. **Ernest Bennett-** when I went to catch a fly ball during baseball practice and jumped and the ball hit me in the head, and when the Duke referred to Giff as “Curley Giff”. **Steve Beaudoin-** when Saia thought I shook Erin’s hand. **Cassandre Xavier-** my sophomore year I remember me and a lot of other students were waiting for the bus. Mind you when I say other students, I mean everyone who is someone.
